

Dear Friends and Family of Hebron Silver Wings Dance Team,

We would like to thank you in advance for allowing us the opportunity to tell you about the Hebron Silver Wings Drill team.

The Hebron Silver Wings is the Varsity Drill Team at Hebron High School, a LISD School located in Carrollton, Texas. Our organization aims to implement ethical behavior and integrity while cultivating dedication and passion through the art of dance. We focus on commitment, teamwork, and dedication, and serve our school and community as positive role models.

We need your help! We will be having our Annual Spring Show in April 2021. The Hebron Silver Wings Drill Team is seeking support from our family, friends, community and local businesses to make this show a success. At this time, we are selling ads for our Spring Show ad book. This ad book will not only highlight our team but will show support for the team from all who choose to contribute.

This is a great chance to show support for your special dancer whether you are near or far. If you are a sponsoring business, this is an inexpensive way to reach the people in and around our community. This year, we are performing to 5 sold out audiences for our spring show for a combined audience of 1500 community patrons. *Note: all program ad books are passed out for free to every audience member.*

Please complete the enclosed ad form and mail it to **Hebron Silver Wings Booster Club, 6505 W. Park Blvd, Ste 306 Box 363, Plano TX 75093**. You may also email it or send any questions to springshow@hebronsilverwings.org. Your generosity will truly impact the success of the Hebron Silver Wings spring show! Thank you in advance for your support.

Kind regards,

The Hebron Silver Wings Drill Team
