It is still your responsibility to make sure the artwork has been received.
- If you have the technical “know-how” and can make your own ad, you may submit a hard copy AND a digital copy on a cd/flash drive:

4. DIGITAL PHOTOS

- Encourage customers to submit their ad photos in digital form (.jpg, .tif) file. If you have a digital camera and can do ad photos while with the customer, it will save you a trip back.
 1. Be sure to ask if they want a Silver Wing to be pictured in the ad!
 2. Take picture with the highest resolution option on your camera.
 3. If you do not have a digital camera, please call someone you know that does. Make arrangements to get the picture when it is convenient for the person with the camera.
